HOW IS THIS DOCUMENT DIFFERENT FROM THE ONE PROVIDED BY THE USCIS?

- *There are certain questions whose answers change on a regular basis (e.g. Q28: What is the name of the President). The official USCIS document refers the user to another website to get the answers to these questions, which is inconvenient. This pdf document makes everything convenient by providing all the necessary information in one document.*
- *There are other questions that are state or congressional district specific (e.g. Q23: Name your U.S. Representative). The USCIS document simply says that “answers may vary” and leaves the onus on the user to find the answer. This pdf document provides the full list of answers and the user can look up their state and district in the list to know which answer applies to them*
